## Directions for a Christocentric Church Ministry

**The 7th anniversary of SHBPC is a milestone as it is metaphorically a year of completeness as we witness the faithfulness of God in the edifying of the worshippers and our gospel outreaches and missions. Our hearts are full of gratitude to the Lord for His guidance and sustaining grace all these years.**

**The vision of having our own church premise one day will also be prayerfully pursued as we wait upon the Lord for His guidance and perfect timing. We consider the following directions for our church in our ministry ahead.**

### Direction for Encouragement, Comfort & Care

Thank God for the vibrant and crucial ministries of the edifying fellowship within our church. The ministry of care and concern plays a pivotal role in the life of a local church. This ministry has the following objectives in mind:

1. To engender a closer fellowship among the brethren.
2. To edify and admonish believers through a systematic and in-depth study of the scriptures.

3. To provide a ministry of comfort and mutual encouragement for those who are in need.
4. To build a spirit of unity and cohesion among members and visitors in the church.

**The church is very much strengthened and blessed with the commitment of the members and worshippers, and we must continue to pray and support one another in the pastoral ministry.** We encourage every worshipper to be part of a growing vibrant community of believers. (Heb 10:24, 25)

### **Direction for Sunday School Ministry**

The Sunday School is an ingenious and proven evangelistic and edification work among our worshippers and we appreciate the faithful teaching of Dr Tan Kwong Leen on Old Testament books, personal follow-up by Chan Ping with Joy, and the class being conducted by Pastor on Christian Apologetics after having studied the Westminster Confession of Faith. Moses was perhaps the “*First Sunday School Superintendent*” cum teacher, and he gave the following instructions in Deuteronomy 31:12-13, “*Gather the people together, men, and women, and children, and thy stranger that is within thy gates, that they may hear, and that they may learn, and fear the LORD your God, and observe to do all the words of this law: And that their children, which have not known any thing, may hear, and learn to fear the LORD your God as long as ye live in the land whither ye go over Jordan to possess it.*” In the Great Commission, by our Lord Jesus, in Matt 28:18-20, we are told to teach them to observe all things that Christ have commanded us. **The Sunday School is one of the best avenues to teach the Word. Technically, in church history, it was Robert Raikes who, in his burden to reach out to children loitering in the streets, inaugurated the modern Sunday School Movement in 1780, in Gloucester, UK.**

**Christian Education Ministry**

**We pray for a greater zest of our worshippers in our Sunday School ministry, a renewed interest in the learning of the Holy Scriptures. Those who are involved in this ministry, should deepen themselves in the doctrines of grace, to learn and adopt new avenues of sharing God's truths in a creative and interactive approach.** Students should strive to come with a attentive and receptive heart, to memorise scriptures, to meditate and contemplate on the lessons learnt. This has a profound effect on our lives, transforming us and helping us to grow in sanctification. (Rom 6:13)

### **Direction for Evangelism, Discipleship & Missions**

**Local Evangelism  
- Macpherson Estate:  
SHBPC Fishing Ground**

Over the past 7 years, we have been actively evangelizing the communities of Paya Lebar and Macpherson estate. This will continue but with an added thrust towards reaching out to our neighborhood with the new flats across as well. Gospel tracts have been printed to

support the evangelistic outreaches. Another evangelism/discipleship course will be organized in 2025 to equip us for effective personal evangelism, discipleship and follow-up (2 Tim 2:2). Pastor will continue to minister at other BP and associated churches both locally and abroad from time to time. **On foreign missions, we will continue to go and teach and preach in our support of associated missions at Myanmar Theological Seminary in Yangon, Myanmar, New Covenant BPCI and Calvary Reformed Church in Bangalore India, Filadelfia BPC in Batam Indonesia and those in country x. We will continue to reach out to the residents at All Saints Home in this evangelistic and edificational ministry of the Word as the Lord leads.** Those who want to help in this ministry and be a blessing to the seniors can let us know.

### **Direction for the Acquisition of Our Own Church Premise**

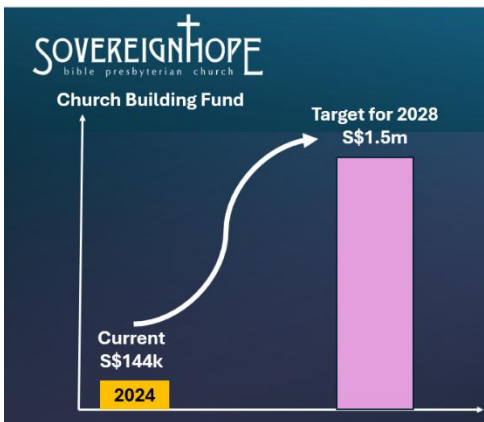

We thank God for providing a place of worship for us all these 7 years. By the will of God, the premises is providentially used by SHBPC the Sunday following the first worship service held in a HDB flat on 4 Feb 2018, and until now. **We pray that we will be able to use this place as long as we can while we build up our Church Building Fund. Our strategic prayer and direction is this: Maximize the use of the**

existing place to its fullest with good stewardship and optimization of every space.

Together with this is a vision; as the Lord tarries, to acquire a suitable premise of worship in due season. It is prudent for the church to pray and plan as we wait upon the Lord. When the opportunity comes according to God's timing, not to have the financial resources will be unhelpful to say the least. God will lead and bless those who be responsible to do our part as stewards of the Lord as God's sovereignty is not to displace

man's responsibility. **The Session has set a target of S\$1.5 million to be raised in about 3 to 4 years' time as the Lord leads (at present the church building fund is about \$144,000).**

Let us pray and support and give joyfully and purposefully towards this worthy cause of the Church Building Fund as the Lord prospers and guides us. King Solomon in Prov 3:9,10 advises, *“Honor the LORD with thy substance, and with the firstfruits of all thine increase: So shall thy barns be filled with plenty, and thy presses shall burst out with new wine.”* (See Luke 6:38, 2Cor 9:7,8). In the meantime, we thank God for and will make full use of this present rented premises to the benefit of our members and worshippers.

### Ministry to the Chinese-Speaking Brethren

One notable ministry of SHBPC is to our Mandarin-speaking friends at the Sunday Evening Chinese Zoom Fellowship meeting that was started 5 years ago, and we

now have about 16-20 participants from 4 countries to study the Word of God and grow together. The church weekly articles are translated into Chinese by bro Paul Kong with relevant articles for the spiritual benefit of our Chinese brethren. Articles written by us and our members are also welcome for both the Chinese and English Weekly. Those who are gifted in speaking Mandarin can pray and serve in this vital outreach to our Mandarin-speaking friends.

### Conclusion

The Lord has been gracious and merciful to guide and prosper SHBPC these 7 years. **We have been blessed with an increase in maturity, spirit and in numbers. However, we must not rest on our laurels, for the work is urgent and the time is short. There is much to be done while the Lord tarries on. “Occupy till I come” is the injunction given to all faithful stewards (Luke 19:13). Responsible stewardship is required of everyone in SHBPC of our time, talents and treasure.** There is much more potential for growth and expansion in our church in the years ahead and everyone has a part to play here. **Let us continue to labour on for the Lord and work harder as we wait expectantly for the Lord’s imminent return.**

## ***Personal Testimony*** **- Dr Samuel Gan Ken En -**

I was born to a Christian mother who brought me up with Bible stories and prayer. I grew up in Zion Presbyterian Church, where we had an excellent Sunday school. By the time I was ten, my mother taught me there is only one true God, and I wholeheartedly believed it.

During my teenage years, however, I faced a minor crisis of faith. I wondered if I was a Christian merely because it was the first religion I was exposed to. I struggled with Genesis, questioning why an all-knowing God would place the forbidden fruit in the garden if He didn't want Adam and Eve to eat it. Despite these intellectual struggles, I had experienced answered prayers and could not let go of my faith. One night, as I prayed for understanding, it felt like a light switched on. At 15, I grasped, as much as I could then, the grace of God in giving us Christ on the cross. I didn't become an entirely new person overnight, but I began to think more deeply about my faith. Each crisis I faced after that only strengthened my trust in God.

Later, during university, I wrestled with the compatibility of evolution and Genesis. I had a Christian genetics lecturer during my polytechnic days who simply called evolution "a theory," which, while not a robust answer, sufficed at the time. Interestingly, he left teaching to attend seminary. For a time, I leaned toward theistic evolution, but when I discovered Creation Ministries International (CMI), I embraced its ministry wholeheartedly.

In 2014, I joined CMI and also enrolled in online theology classes at Far Eastern Bible College (FEBC), which deepened my understanding and grounded my faith. These studies led me to repeatedly rededicate myself to God. My life today reflects the kind of vision Dr. S.H. Tow often spoke about—a testimony I wrote about in March 2022 during a period of significant upheaval while studying God's providence in an FEBC course below:

---

### **A Story of God's Providence**

In 2013, I attended a talk by Dr. Carl Wieland of CMI at Chin Lien Bible Seminary, where I was a lay student. That talk profoundly challenged my theistic evolutionist views, convicting me of the need to stand firmly on the Genesis account of creation. This providential meeting led me to commit to growing CMI's presence in Singapore. In mid-2014, Dr. Wieland trained me to be a CMI speaker in Singapore, during which time I met Dr. Tow for the first time at his home.

During that meeting, Dr. Tow asked which church I attended. I explained that I was at Zion Presbyterian Church but had also briefly attended Gethsemane BP in 2002-2003. I confided in Dr. Wieland that I

avoided the VPP (Verbal Plenary Preservation) issue by attending a Chinese church, as the controversy was less pronounced there. Though I believed in the preservation of Scripture by faith, I was ill-equipped to argue for it. Dr. Tow encouraged me to return to Gethsemane BP and be part of the “fold” once again. I took his words to heart.

Simultaneously, other providential events unfolded. In mid-2014, a theological disagreement arose at Chin Lien Seminary over a new Chinese Bible translation. I realized the VPP issue would resurface in Chinese churches and decided to return to Gethsemane BP in July 2014. Around the same time, I felt convicted that a CMI speaker needed strong theological grounding. I enrolled in FEBC’s online classes, believing God had not called me to pastoral ministry but to be a scientist who testifies to God’s creation.

### **Growth in Ministry and Academics**

My first CMI talk on August 16, 2014, was well-received. Dr. Tow, who attended, introduced me as a future “CMI scientist,” much to my embarrassment, as I didn’t feel worthy of the title. He followed up with visits and calls, encouraging me to persevere in my studies and ministry. By 2017, I completed a Certificate in Religious Knowledge at FEBC, though I continued to study online and later began a Diploma in Theology at Spurgeon’s Metropolitan Tabernacle’s London Reformed Bible Seminary (LRBS).

In 2021, I completed 20 assignments for the LRBS Diploma and resumed taking FEBC classes online, thanks to the pandemic moving day classes online. By 2022, I was simultaneously pursuing diplomas from both institutions while balancing a demanding career. Despite the challenges, I was publishing prolifically and teaching multiple modules, all by God’s grace. In 2023, I received both my Diplomas from FEBC and LRBS.

### **Providential Encounters and Encouragement**

In 2021, I experienced a series of providential events that affirmed God’s plan for me. Though CMI speaking engagements had slowed since 2019, Gethsemane Defender’s Ministry invited me to deliver a five-hour Zoom session on creation apologetics, which reached attendees in Australia and the Philippines. A participant in Australia later emailed me a photo of a 2014 church bulletin featuring my debut CMI talk—remarkably rediscovered six years later on another continent. The statistical improbability of such an event reminded me of God’s hand in even the smallest details.

Around the same time, I unexpectedly won the UK Alumni Awards 2021 in “Science and Sustainability.” This award included a £1,000 study prize, which I used to fund my FEBC Diploma in Theology. The timing was impeccable: the award coincided with the final stages of my LRBS coursework and allowed me to take a full load of FEBC classes, aligning perfectly with my academic and spiritual pursuits.

-----

### **Looking Forward**

Though the path ahead remains unclear, God’s providence has been evident in every step. I continue to speak on biblical creation and pursue my theological studies while serving as a

scientist. Recent speaking engagements in the Philippines have opened doors for further ministry, and I trust that God will reveal His purpose in due time.

In January 2024, I met Reverend Jack Sin through a preacher who introduced us over lunch at the Chinese Swimming Club. During our meeting, I shared how challenging it had been for CMI to engage BP churches since Dr. Tow's passing and asked Rev. Sin to help bridge that gap. Although he humbly remarked that Dr. Tow's shoes were too big to fill, he assured me he would do what he could. True to his word, he quickly invited me to speak at several Zoom meetings and Sunday School sessions.

Even after returning to work in China after the Chinese New Year 2024, I stayed connected through weekly Zoom prayer meetings and Chinese fellowship. Rev. Jack and his wife, Angie, also introduced me to friends near where I work, helping to grow the creation apologetics ministry. Their enthusiasm extended to visiting me at my university in June 2024, where we also travelled and explored together. Their visit inspired some of my students to visit Sovereign Hope BP when they accompanied me to Singapore shortly afterwards.

Rev. Jack's unwavering support opened doors for CMI to reach seminaries in Yangon and Bangalore during mission trips in 2024, expanding its presence where it was previously unknown. Through his efforts, CMI's creation apologetics ministry grew in Singapore and beyond, culminating in his agreement to be the keynote speaker for the All Asia Creation Conference (August 22-24, 2025). Angie's indispensable role in engaging children during mission trips was also deeply appreciated.

Thanks to the church's online ministry, I have continued to fellowship with SH brethren since January 2024, who have always welcomed me warmly, making me feel at home even before I became a member. The synergy between SH BP's ministry and my God-given

mission has strengthened my connection to the universal church, both locally and globally, particularly at SH BP. Although I may not always be physically present in Singapore, I am grateful to be part of the Sovereign Hope family, contributing together to God's Kingdom work.

Dearly Beloved Fellow-worshippers of our Lord God Almighty, My family and I sincerely and heartily congratulate you and rejoice with you on this blessed occasion, even the 7th Anniversary of your church.

We remember the establishment of your church at short notice during a difficult period in your dear pastor's life. It was like a mother going through birth pangs. But praise the Lord for sustaining him and strengthening you as his congregation through these past 7 years.

God's Word is clear:

*"Except the LORD build the house, they labour in vain that build it."* Psalms 127:1

Thank God also for the promise and assurance of our Lord Jesus.

*"I will build My church; and the gates of hell shall not prevail against it."* Matthew 16:18

Thank God for providing you a Bible-based and Bible-centred man of God as your pastor, who is a man of integrity and humility, and zealous in God's service and cares for his sheep. He follows the example of our Lord Jesus:

*"The sheep hear his voice: and he calleth his own sheep by name, and leadeth them out.*

*And when he putteth forth his own sheep, he goeth before them, and the sheep follow him: for they know his voice."* John 10:3, 4

When falsely accused, your pastor did not raise his voice, his fist or his body in defiance or retaliation. But to this day, since I knew him, he is a meek man, and practises the Word of God clearly. And God has blessed him and you. God used your pastor as a Godly and courageous man to start and establish His work. It reminds me of Gideon whom God chose to lead the children of Israel to war against the Midianites. The Israelite army of 32,000 was reduced to 300 (less than 1%) to fight the 135,000 Midianites. And God gave the victory as the soldiers cried out: *"The sword of the Lord and of Gideon"*. Judges 7:1-9, 18, 20.

May the future generations of Sovereign Hope BP Church remember their origin and hold fast to the truth of God's Word. Beware the sad example of the later generations of Israel.

*"And also all that generation were gathered unto their fathers: and there arose another generation after them, which knew not the LORD, nor yet the works which He (God) had done for Israel."* Judges 2:10-13

Your dear pastor is one who holds to and seriously practises the 7-fold objectives of

the BP Church, viz. Worship, Fellowship, Indoctrination, Defence of the faith, Evangelism, Missions and Relief for the Poor.

May you likewise follow his example to the very end.

Affectionately,

**Rev. Philip Heng,**

**Advisory Pastor, Galilee Church, Singapore**

Dear Pastor Jack, Elders and Session of SHBPC, Blessed 7th anniversary. The Lord is good to bless you with 7 good years of service. We rejoice with you on this special occasion. May the Lord grant you many more years of fruitful service until He returns.

On behalf of the Session and congregation of Moriah Bible-Presbyterian Church, I extend our warmest congratulations on your church's 7th Anniversary.

Seven years of faithful ministry is a testament to God's unwavering faithfulness and grace.

In Joshua 6, it took seven days of faithful obedience before the walls of Jericho fell.

Likewise, these seven years represent your congregation's faithful obedience in proclaiming God's Word and building His church. Through seasons of sowing and reaping, you have persevered in the sacred duties of worship, discipleship and evangelism, standing firm in our Bible Presbyterian heritage.

As you gather to commemorate this milestone with Rev. Philip Heng's ministry of the Word, may you be renewed in your sacred calling. Remember Paul's words to the Philippians, "I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now. And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ." (Philippians 1:3-6 ESV)

Though I am unable to join you personally for this joyful occasion, be assured of my prayers for Sovereign Hope BP Church. May the Lord continue to establish the work of your hands as you remain faithful to His Word and zealous for His glory in the years to come.
